Dear Sir,

I would appreciate if you could send us updated information, instructions and application forms of your research grants.

The staff of our medical center lists more than 700 physicians and scientists, engaged in many fields of medical research. I am sure your grant programs will be of interest to several of them.

I would also be grateful if you could put our office in Hadassah on your mailing list.

with many thanks.

Sincerely yours,

*Michal Roll*
